

The Kangaroo Lake Association Invites You to Our 2023 ANNUAL MEETING

DATE: Saturday, August 5, 2023

TIME: 9:00 a.m. – 10:30 a.m.

PLACE: Bailey's Harbor Town Hall
2392 County Road F

Please join us! The annual meeting is a great opportunity to hear about topics relevant to Kangaroo Lake. Parking may be limited, so plan to arrive early to meet or reacquaint with neighbors from around the lake.

Featured Topic: Shoreline Habitat Restoration

Presented by Sam Koyen, Door County Soil and Water Conservation Department,
and Mark Weisse of the Clark Lake Association

Join Sam Koyen as we learn about restoring our shorelines with native plantings that can both look attractive and provide habitat for wildlife. Sam also coordinates the Door County Invasive Species Team and can provide tips for deciphering those unwanted plant species from the good ones growing on and around Kangaroo Lake. Mark Weisse will also share information on Clark Lake's initiative to promote native plantings on their shorelines, the Buffer Buddies program, which he oversees.

We'll also have brief updates and announcements on bulrush planting efforts, our fish sticks program, upcoming events, and more. The full agenda is below – feel free to come with your questions for the Board and other Kangaroo Lake Association members.

Annual Meeting Agenda

9:00-9:20am Welcome and President's Remarks

Approval of Agenda
